

Dolgeville Elementary

Board Report: October 20, 2020

- **Progress Reports:** It is hard to believe that our first five weeks have passed. Progress reports were distributed to Group A students on October 13th and Group B students on October 16th.
- **Classroom Observations:** Students are genuinely happy to be back in our building.
- **New Report Cards at DES!** Last winter, staff initiated the process of updating report cards utilizing SchoolTool for K-4 students. New report cards will include grade-level specific learning standards based on the New York State Learning Standards. Students will also be evaluated on our “Blue Devil Behaviors” – including striving for their personal best, following classroom and building expectations, listening, organization, and accountability/responsibility. Special thanks to our Report Card Committee for this major accomplishment. Staff will be trained to use SchoolTool report cards on Wednesday, October 21st.
- **ParentSquare:** Maintaining communication with parents and families is increasingly important this year. Staff are transitioning to the use of ParentSquare and have unofficially welcomed parents to start to use ParentSquare. This platform allows teachers to push group messages and reminders out to families, as well as private messages between specific parents and staff.
- **Connected Community Schools Update:** Dolgeville Central School’s membership as a Community School has evolved dramatically since conception last year. Teaming up with Rome Alliance for Education has provided DCS families with numerous services and opportunities. We are happy to have Katie Rockwell, our Connected Community Schools Site Coordinator, back in action at DCS!
 - During the 2019-20 school year (January-June), we had 28 LINK referrals. Since July 1, 2020, we have 41 LINK referrals. LINK referrals are completed for students and/or families that demonstrate the need for supplemental services. Mrs. Rockwell works with families to get services, including Mentoring, Family Peer Advocates, care management, counseling with the Neighborhood Center (clinical mental health support), MCAT (mobile crisis assessment team), legal aid, Runaway and Homeless Youth services, Catholic Charities, childcare assistance, HEAP, WIC, RCIL, local food pantries, etc.
 - LINK meetings are coordinated every Thursday morning with the principal (elementary and high school),
 - We relocated our “Community Schools Office” in the elementary building to include a location for school supplies and various donations. Our stock includes various school supplies available for K-12 students.
- **Neighborhood Center Update:** Our counselor from the Neighborhood Center currently works with DCS students on Fridays. We will be transitioning to include an additional day for services on Tuesdays. At this time, 28 DCS students are working with Neighborhood Center at DCS. Special thanks to Mrs. Lynne Licari, our school psychologist, for coordinating the Neighborhood Center services at DCS, as well as guiding families through the enrollment process.
- **Superintendent’s Conference Day** – Friday, October 23rd: Our upcoming Superintendents Conference Day will focus on the prioritization of skills and curriculum development for K-12 staff.

My child has COVID-19 symptoms. When can they go back to school?

HEALTHCARE PROVIDER (HCP) EVALUATION FOR COVID-19 (can be in-person or by video/telephone as determined by HCP)

COVID-19 diagnostic testing includes molecular (e.g., PCR) or antigen testing for SARS-CoV-2, the virus that causes COVID-19. Diagnostic testing may be performed with a nasopharyngeal swab, nasal swab, or saliva sample, as ordered by the health care provider and per laboratory specifications. At times, a negative antigen test will need to be followed up with a confirmatory molecular test. Serology (antibody testing) cannot be used to rule in or out acute COVID-19.

Academics

23 seniors took the SATs on Wednesday, September 23rd and 21 juniors took the PSATs on Wednesday, October 14th. Thank you to Mr. Guenther for coordinating and administering the exams.

The focus for PD for 7-12 teachers at the October faculty meeting was best practices for the hybrid schedule and student engagement in virtual learning.

The first five week period ended October 2nd with progress notes sent home on October 9th and 13th. The first quarter ends on November 6th. Report cards will be distributed on November 13th.

CSI Update

Priority 1: Instructional Leadership- the first set of walkthroughs are in progress, giving targeted feedback on how the teacher is practicing COVID-19 protocols.

Priority 2: Student Academic Goal Setting- MS teachers are using 5-week averages to reflect with students on academic goal setting with their goal portfolios.

Priority 3: Curriculum and Instruction- On October 23rd, teachers will have training and support curriculum mapping with CASDA representative Susan Stoya, focusing on prioritization of standards and progression of skills

Priority 4: Social Emotional Learning- student logins are being created for the program Naviance, which our guidance counselors are being trained in with the focus of helping students make connections between school and career and college readiness and exploration

Priority 5: Parent Engagement-DCS launched the communication platform Parent Square, Christian Czerwinski is joining us to help with PR, we are working on reimagining the DCS website with a dedicated spot to support for parents with technology and virtual learning

Virtual Wednesdays Student Schedule

Period	Time
1	10:00- 10:30 AM
2	10:34-11:04 AM
3	11:07-11:37 AM
4	11:40-12:10 PM
5/6	12:14-12:44 PM
6/7	12:45-1:15 PM
8	1:17-1:47 PM
9	1:49-2:19 PM
Office Hours	2:20-2:55 PM

Grades 7-12 have been piloting live virtual classes on Wednesdays on, with the A and B groups joining together for a modified schedule on Google Meet. 97% of students participated last Wednesday!

This schedule will be the model grades 7-12 uses if there is a short-term closure.

Upcoming Events

- NYSED visit for CSI 10/23
- Quarter 1 ends 11/6
- Picture Retakes 11/3 (A Group) and 11/5 (B Group)
- Spirit Week 11/2-6 (last week of fall sports)
- Parent-Teacher Conferences – 11/15 (1/2 day) and 11/16 , Virtual or in-person

Virtual Schedule Team

	7th Grade	8th Grade	9th Grade	10th Grade	11th Grade	12th Grade
Grade Level Coordinator	Sabrina Edick	Bethany Colenzo	Ashley Randall	Christopher Lee	Donna Geraty	Lacy Baylor
Virtual Schedules	Seventh Grade Schedules	Eighth Grade Schedules	Freshman Schedules	Sophomore Schedules	Junior Schedules	Senior Schedules
Support	Mirella Pazzaglia	Dan Zilkowski		Dan Guenther		

For students with extended absences or the need to be quarantined, a virtual schedule team has been set up to work with teachers and families to allow students to participate in live virtual classes to ensure continuity of learning.

Dolgeville Central School

Virtual Learning Expectations for Grades 7-12

<p>Prepare for Success</p> 	<ul style="list-style-type: none"> • Set up your workspace at a table or desk in a place that is quiet and as free of distractions as possible. For example, setting up your device in the living room with the TV on will not help you learn! • Have all of your necessary materials in one place. Make sure you bring home everything you need to be successful on your independent Google Classroom days.
<p>Access Google Classroom</p> 	<ul style="list-style-type: none"> • On your independent workdays, access Google Classroom at the beginning of each day. • Each of your teachers will use Google Classroom to provide you with assignments. • You will need to access Google Classroom to access these assignments, view resources to help you complete the work, and to submit the work for feedback and grading. • Attendance on your independent workdays will come from engagement on Google Classroom.
<p>Connect in Google Meet</p> 	<ul style="list-style-type: none"> • Follow your schedule to make sure you are on time for scheduled Google Meets. • Attendance is taken at each Google Meet live class. Remember, Wednesday follows a modified schedule that starts at 10 AM. • Each of your teachers will post a link to his/her to the Google Meet in the Google classroom. • Click the link to join each virtual classroom when it is time for the class to start. Contact your teacher well in advance of the class if you need the phone-in feature.
<p>Virtual Class Etiquette</p> 	<p>Be school-appropriate and respectful at all times in the Virtual Classroom. Virtual classes follow the same expectations as in-person classes and the DCS Code of Conduct still applies. This includes any language, digital images, icons, and behavior.</p> <p><u>During each virtual class, students should:</u></p> <ul style="list-style-type: none"> • Start with the camera on and microphone muted. • Use appropriate language when communicating orally or via the chat feature in the virtual classroom. • Dress properly for participating in virtual classrooms. • Sit upright, prepared to actively participate in class. Walking around or lounging on a sofa or bed is not preparing to learn. • Cell phones should be turned off and there should be no screenshots or recording.
<p>Plan for Success!</p> 	<ul style="list-style-type: none"> • Make a weekly "class schedule" to help keep yourself on track. Most students have seven classes on their schedule. • Remote learning requires much more discipline and independence from students because you will not have your teachers monitoring you as closely as when we are in school. Therefore, it is critical that you make a weekly "class schedule" for yourself and that you try to stick to it. • Reach out to your teachers for help when you need it. In addition to email, every Wednesday, teachers have office hours to help from 2:20-2:55. • Submit assignments on time. • Review written feedback from your teachers and check your grades regularly.

Daniel Zilkowski
Dean of Students/Athletic Director

dzilkowski@dolgeville.org

BOARD REPORT-October 20, 2020

DEAN OF STUDENTS

1. I have been assisting both principals with the reopening of school in multiple capacities.

ATHLETIC DIRECTOR

1. We currently are in the 4th week of the fall season 1 athletics at the time of this report. The student athletes have competed successfully in home and away contests in girls' jv/varsity soccer, jv/varsity boys' soccer, and varsity boys'/girls' cross country. Fall season 1 will be completed by November 14th. I have included some pictures of the teams in action at the end of this report.
2. Our home athletic events included multiple changes to entry in that only 2 spectators per student athlete are allowed and each individual needs to complete a COVID-19 screening. The Center State Conference are using universal passes and COVID-19 assessment forms to complete this entry process. We also have marked seating/standing areas to maintain social distancing and keep cohorts of home and visiting spectators separated as much as possible.
3. The Governor's restriction on high-risk sports being allowed a limited no contact practice and not being allowed to have contests has not been adjusted. The restriction will expire on December 31st, 2020. The CSC league is waiting on a decision of an adjustment to the high-risk sport restriction to allow regular practices and contests before releasing any schedules or starting the winter sport seasons.
4. The modified winter sport season #1 (volleyball and wrestling) that was set to begin on October 26th has been delayed by the CSC league because both sports are in the high-risk category. A rescheduled season date has not been decided.
5. The varsity and junior varsity winter sport season (basketball, volleyball, indoor track, competitive cheer, and wrestling) are scheduled to begin on November 30th, but could possibly be delayed until January 4th, 2021. The CSC league has discussed the possibility of forming a regional league only schedule for some of these sports as we did this fall if contests are eventually allowed.

ATHLETIC FACILITY

1. The softball dugout project was delayed while waiting for the permit to be issued from SED and I recently was notified we can move ahead. The contractor (Double G Construction) is tied up with multiple projects due to delays caused by the COVID-19 pandemic. The Edwin J. Wadas Foundation has provided us with another six-month extension to use the funds from the grant for this project based on our circumstances. We have revised the timeline to have this project completed by the start of spring sports (April 19th, 2021). Double G construction has assured me that they will have it completed by early April 2021 or sooner.

Re: Transportation review items.

DOT Inspection was held for buses 102, 104, 105, 111, 112, and 115 on September 24th. No issues, all the buses passed.

Delivery date for the new school buses is yet to be determined. The buses are ready to be delivered pending the date when the funding is secured.

The fire alarm system is still malfunctioning. Wayne is working with Simplex to correct the issue.

The inground bus lift is starting to develop more issues. I am working on getting quotes for installing a new system.

RE: September Facilities Report

Please see the attached work order report from the facilities and grounds department.

Update on the Tractor: Dave was able to get Kubota and Evans Equipment to split the repair costs with the District (1/3 each party). The Tractor has been repaired and returned but we have not yet received the invoice.

I will be available at the October 20, 2020 BOE meeting, if you have further questions.

Thank you.
