Dear 7th Grade Students and Families:

I hope you've had some time to relax and enjoy all that the warm summer weather brings! The school building has been bustling with summer school activities, staff trainings, and the building project. In a few weeks, 7th grade will be upon us. With that in mind, here are some key details you will want to make note of:

- **Modified Sports** begin on August 28th. Be sure to sign up using *Form Releaf* on the district webpage if your child is interested in being part of the cross country, soccer, or football teams. Specific questions related to athletics can be directed to Mr. Zilkowski (dzilkowski@dolgeville.org)
- **Open House** will be held on September 5th from 5:30 PM- 7 PM. During this time **7th Grade Orientation** will be held in the auditorium at 5:45 PM. Students are encouraged to get their schedules and locker information upon entering the building and bring those items to the auditorium to reference during the presentation. Following the presentation, students will have the opportunity to meet their teachers, check out the classrooms, and practice opening lockers
- **School Starts** on Thursday, September 7th. The building is open to students for free breakfast at 7:25 AM and instruction begins promptly at 7:45 AM each day. In the upcoming weeks, you'll be able to see the district calendar and master schedule, including information for delays and half days, on the district webpage
- **School Supply** information, for all 7-12 classes, is now posted on the district webpage. It can be found under the *JR./SR HIGH* tab

While it was a very long time ago, I remember the excitement and anticipation associated with becoming a 7th grader at DCS. I look forward to seeing everyone soon and welcome any questions you may have between now and then. Email or Parent Square messages are the best methods to reach me, but you are also welcome to call or come in for a meeting. Enjoy the remainder of the summer! See you soon!

Warm Regards,

mprimeau@dolgeville.org
